

My Big, Fat Pony

Everyone stands in a circle.

A player is chosen to be the 'rider'.

The 'rider' skips around the inside of the circle while all the children sing:

***(Rider's name) is riding on their pony,
Riding on their big, fat pony,
(Rider's name) is riding on their pony,
This is what they told me ...***

The rider chooses someone from the circle and stands in front of them.

The 'rider' and the child they have chosen do a dance while all the other children sing:

<i>Front to front to front, go crazy</i>	(Both children dance facing each other)
<i>Back to back to back, go crazy</i>	(Both children dance back to back)
<i>Side to side to side, go crazy</i>	(Both children dance side by side)
<i>This is what they told me.</i>	(Both children change places)

The child who has changed places with the 'Rider' becomes the new 'Rider' and the game is repeated.
